Ingenico Signs a Worldwide OEM Agreement with KICTeam for cleaning cards

Neuilly sur Seine – April 8, 2011. Ingenico (Euronext : FR0000125346 - ING), leading worldwide provider of payment solutions, today announces an OEM agreement with [KICTeam](#) for [cleaning cards](#) specifically designed for Ingenico POS terminals. Over the last few years Ingenico has tested and validated the effectiveness and efficiency of cleaning cards. The KICTeam's proprietary [Waffletechnology®](#) cleaning cards provided the most cost effective and safest solution available.

Under this new OEM agreement, five cleaning products will be made available to Ingenico customers worldwide. All five products can be purchased directly from Ingenico (www.ingenico.com), Ingenico distributors, or KICTeam as well.

"We have tested numerous cleaning products for our POS terminals and found that Waffletechnology® was the right solution for our customers. And we will continue to provide them with our leadership and direction worldwide." said Toumy Bouteldja, Ingenico Peripherals Manager.

"We are very proud to participate in this project and provide our proprietary Waffletechnology® and worldwide logistic to a world-class company such as Ingenico." added Peter Klein CEO & President of KICTeam.
